SUMMER READING CHALLENGE 2020

SUMMER READING GOES VIRTUAL THROUGH BEANSTACK!

Beanstack is the Library's web-based Summer Reading Challenge software. It allows you to track your reading, complete challenges, and win prizes! (There are challenges for adult readers, too!)

HOW DO I SIGN UP?

1. Go to skidompha.beanstack.org
2. Click on the blue "Register an Individual or Family" button.
3. Fill in the information! If you are a parent registering a child, enter your information under "Adult Information." Beanstack allows families to be linked together, so that all family members can be accessed with one login.
4. Once you are registered, you will be taken to your account page. This is where you will log your minutes and activities and track the badges you earn!

HOW DO I LOG MINUTES AND ACTIVITIES?

1. Go to skidompha.beanstack.org or download the Beanstack Tracker app for Android and iPhone!
2. Click on the blue "Log Reading and Activities" button in the upper left corner or on the blue plus sign in the app.
3. Follow the prompts on the screen to count what you have accomplished!
4. When you hit a reading landmark, you will receive a badge and may be eligible for a prize.
